

Imaginary Landscape no 5. by John Cage

In honour of 2012 being the 100th anniversary of John Cage, NAISA artistic director Darren Copeland prepared this realization of Imaginary Landscape no. 5 by using the 2012 Art's Birthday presents as the content for the 42 sound sources required to realize the piece.

NAISA is New Adventures in Sound Art based in Toronto. NAISA presents the Deep Wireless and Sound Travels festivals every year. NAISA will stream for Art's Birthday from 4 to 6 GMT on Tuesday Jan 17 and hold a family sound party on Jan 15. NAISA's website is www.naisa.ca

Darren Copeland is a Canadian sound artist. His website is www.darrencopeland.net
